

Hi everybody !

you'll find 2 videos clicking on each link :

[video 1](#)

[video 2...](#)

Enjoy watching them but take notes to report about them in class and to use them if need be during your oral practice (“khôlle”)!

You even have [a quiz](#) for video 2 to make the most of it 😊

This is part of your summer homework.

Have fun !

Mrs GUEGUEN
